

Break

Ray Frensham

Break Florian Ledoux, Cédric Liano, 2019-06-11 T00:00:00+02:00 Une histoire du Hip-Hop « Et une fois qu'ils avaient entendu ça, c'était plié, impossible de revenir en arrière. Ils voulaient constamment entendre break sur break. » DJ Kool Herc Fin des années 60, South Bronx, New York, un quartier et des familles laissés à l'abandon. Marcus et Aaron, deux frères, grandissent dans un climat de violence sociale. En pleine guerre des gangs, chacun va chercher dans la rue, à sa manière, comment survivre. Marcus est de toutes les blocks parties et s'embarque corps et âme dans la danse. Aaron quant à lui trouve refuge dans le graffiti. Entre fiction et récit historique documenté, on (re)découvre, à travers les yeux de Marcus et Aaron, comment l'énergie créatrice de jeunes du Bronx a donné naissance au DJing, au rap, au breakdance ou encore au graffiti. Quelques années plus tard, ces disciplines artistiques constitueront un mouvement culturel majeur et international : le Hip Hop. En 1979 sortait le morceau Rapper's Delight. Une offense pour les fondateurs du mouvement, une explosion commerciale pour le hip hop. BREAK est le résultat d'un véritable travail à quatre mains, celles de Florian LEDOUX et Cédric LIANO, aussi bien pour l'écriture du scénario que pour la réalisation des planches.

The Italian Bakery The Silver Spoon Kitchen, 2021-09-16 Bake like an Italian with this latest Silver Spoon treasure - a culinary inspiration and go-to kitchen companion The Silver Spoon is known throughout the world as the authoritative voice on Italian cuisine and the leading Italian culinary resource. The Italian Bakery is the first volume in the Silver Spoon library to focus on dolci - the Italian term for all sweet treats. Dishes found in bakeries throughout Italy's diverse regions come to life in 140 accessible classic and contemporary patisserie recipes, including a library of 50 core recipes for basic baking building blocks, each illustrated with step-by-step photography, geared toward novices and experienced bakers alike. Filled with cakes, pastries, pies, cookies, sweets and chocolates, and frozen puddings, the collection showcases a wide range of delectable desserts suitable for everyday indulgences and special-occasion celebrations - the Italian way.

The Break Katherena Vermette, 2016-09-17 Winner of the Amazon.ca First Novel Award and a finalist for the Rogers Writers' Trust Fiction Prize and the Governor General's Literary Award, *The Break* is a stunning and heartbreaking debut novel about a multigenerational Métis-Anishnaabe family dealing with the fallout of a shocking crime in Winnipeg's North End. When Stella, a young Métis mother, looks out her window one evening and spots someone in trouble on the Break — a barren field on an isolated strip of land outside her house — she calls the police to alert them to a possible crime. In a series

of shifting narratives, people who are connected, both directly and indirectly, with the victim — police, family, and friends — tell their personal stories leading up to that fateful night. Lou, a social worker, grapples with the departure of her live-in boyfriend. Cheryl, an artist, mourns the premature death of her sister Rain. Paulina, a single mother, struggles to trust her new partner. Phoenix, a homeless teenager, is released from a youth detention centre. Officer Scott, a Métis policeman, feels caught between two worlds as he patrols the city. Through their various perspectives a larger, more comprehensive story about lives of the residents in Winnipeg's North End is exposed. A powerful intergenerational family saga, *The Break* showcases Vermette's abundant writing talent and positions her as an exciting new voice in Canadian literature.

Why Things Break Mark Eberhart, 2007-12-18 Did you know— • It took more than an iceberg to sink the Titanic. • The Challenger disaster was predicted. • Unbreakable glass dinnerware had its origin in railroad lanterns. • A football team cannot lose momentum. • Mercury thermometers are prohibited on airplanes for a crucial reason. • Kryptonite bicycle locks are easily broken. “Things fall apart” is more than a poetic insight—it is a fundamental property of the physical world. *Why Things Break* explores the fascinating question of what holds things together (for a while), what breaks them apart, and why the answers have a direct bearing on our everyday lives. When Mark Eberhart was growing up in the 1960s, he learned that splitting an atom leads to a terrible explosion—which prompted him to worry that when he cut into a stick of butter, he would inadvertently unleash a nuclear cataclysm. Years later, as a chemistry professor, he remembered this childhood fear when he began to ponder the fact that we know more about how to split an atom than we do about how a pane of glass breaks. In *Why Things Break*, Eberhart leads us on a remarkable and entertaining exploration of all the cracks, clefts, fissures, and faults examined in the field of materials science and the many astonishing discoveries that have been made about everything from the explosion of the space shuttle Challenger to the crashing of your hard drive. Understanding why things break is crucial to modern life on every level, from personal safety to macroeconomics, but as Eberhart reveals here, it is also an area of cutting-edge science that is as provocative as it is illuminating.

Take a Break Before You Break Breeda Miller, 2021-02-18 Take a Break Before You Break 52 Practical Self-Care Tips

If I Break Portia Moore, 2023-04-12 This is not your typical happily ever after... Lauren Brooks wants to accomplish three things: escape the small town she grew up in, get accepted to her dream school in Chicago, and graduate without drowning in debt. Now, she's working her ass off to do just that. With a full course load and a waitressing job at one of the hottest nightclubs in Chicago, she doesn't have time for distractions - namely, ones who only want to get into her pants. She's been burned before. Only a fool goes for a second round... With just two semesters left until graduation, everything's on track. Until she meets Cal. Enter distraction. At six-foot-two, with ebony hair, deep grey eyes, and a smile that could hide an agenda, she knows he's trouble. And for the first time in her life, a little trouble might be just what she needs. No, what she wants. It isn't like she'd ever marry the guy. Until she does. What she thinks will be her happily ever after is only the

beginning. Cal has a secret. One that makes loving him come with a price, and being his wife costs more than she bargained for.

Give Me a Break Hugh D. Culver, 2011 Culver presents a model for getting to the heart of why people never seem to have enough time --and how to create the time they actually need. A past workaholic, successful business owner, and consultant to large corporations, Culver's solution is to first redefine the beliefs that drive the behavior and from there reset priorities, create better systems, practice better habits, and finally, invest in reflection, review, and renewal.

The Make-or-Break Year Emily Krone Phillips, 2019-01-08 A Washington Post Bestseller An entirely fresh approach to ending the high school dropout crisis is revealed in this groundbreaking chronicle of unprecedented transformation in a city notorious for its failing schools In eighth grade, Eric thought he was going places. But by his second semester of freshman year at Hancock High, his D's in Environmental Science and French, plus an F in Mr. Castillo's Honors Algebra class, might have suggested otherwise. Research shows that students with more than one semester F during their freshman year are very unlikely to graduate. If Eric had attended Hancock—or any number of Chicago's public high schools—just a decade earlier, chances are good he would have dropped out. Instead, Hancock's new way of responding to failing grades, missed homework, and other red flags made it possible for Eric to get back on track. The Make-or-Break Year is the largely untold story of how a simple idea—that reorganizing schools to get students through the treacherous transitions of freshman year greatly increases the odds of those students graduating—changed the course of two Chicago high schools, an entire school system, and thousands of lives. Marshaling groundbreaking research on the teenage brain, peer relationships, and academic performance, journalist turned communications expert Emily Krone Phillips details the emergence of Freshman OnTrack, a program-cum-movement that is translating knowledge into action—and revolutionizing how teachers grade, mete out discipline, and provide social, emotional, and academic support to their students. This vivid description of real change in a faulty system will captivate anyone who cares about improving our nation's schools; it will inspire educators and families to reimagine their relationships with students like Eric, and others whose stories affirm the pivotal nature of ninth grade for all young people. In a moment of relentless focus on what doesn't work in education and the public sphere, Phillips's dramatic account examines what does.

Break It Up Richard Kreitner, 2020-08-18 From journalist and historian Richard Kreitner, a powerful revisionist account of the most persistent idea in American history: these supposedly United States should be broken up (Eric Foner). The novel and fiery thesis of Break It Up is simple: The United States has never lived up to its name—and never will. The disunionist impulse may have found its greatest expression in the Civil War, but as Break It Up shows, the seduction of secession wasn't limited to the South or the nineteenth century. It was there at our founding and has never gone away. With a scholar's command and a journalist's curiosity, Richard Kreitner takes readers on a revolutionary journey through

American history, revealing the power and persistence of disunion movements in every era and region. Each New England town after Plymouth was a secession from another; the thirteen colonies viewed their Union as a means to the end of securing independence, not an end in itself; George Washington feared separatism west of the Alleghenies; Aaron Burr schemed to set up a new empire; John Quincy Adams brought a Massachusetts town's petition for dissolving the United States to the floor of Congress; and abolitionist William Lloyd Garrison denounced the Constitution as a pro-slavery pact with the devil. From the "cold civil war" that pits partisans against one another to the modern secession movements in California and Texas, the divisions that threaten to tear America apart today have centuries-old roots in the earliest days of our Republic. Richly researched and persuasively argued, Break It Up will help readers make fresh sense of our fractured age.

The Break Marian Keyes, 2019-03-26 THE SUNDAY TIMES NUMBER ONE BESTSELLER FROM THE BESTSELLING AUTHOR OF GROWN UPS, MARIAN KEYES 'JUST BRILLIANT' SUNDAY TIMES _____ 'Myself and Hugh . . . We're taking a break.' 'A city-with-fancy-food sort of break?' If only. Amy's husband Hugh says he isn't leaving her. He still loves her, he's just taking a break - from their marriage, their children and, most of all, from their life together. Six months in South-East Asia. And nothing she says can stop him. But when does a break become a break-up? A lot can happen in six months. And it's enough to send Amy and her family of gossips, misfits and troublemakers teetering over the edge. When Hugh returns, if he returns, will he be the same man she married? Will Amy be the same woman? Because if Hugh is on a break from their marriage, then . . . isn't she on one too? _____ 'Mercilessly funny' The Times 'I laughed . . . I cried' Daily Mail 'Full of darkness and light, this is Keyes at her classic and most brilliant best' Red SHORTLISTED FOR A NATIONAL BOOK AWARD

Break the Mould Sinéad Burke, 2020-10-15 *SHORTLISTED FOR THE 2020 AN POST IRISH BOOK AWARDS - CHILDREN'S BOOK OF THE YEAR* 'A lovely lesson in humanity for eager young humans' - Chris O'Dowd. 'This book made me feel proud to be different' - Rosie Jones. Break the Mould with Sinéad Burke - teacher, activist, author and little person. Sometimes we can feel like we are not good enough. That we don't belong. Or that we want to be more like our friends. In this empowering guide, Sinéad Burke draws on her own experiences and encourages young readers to believe in themselves, have pride in who they are and use their voice to make the world a fairer, more inclusive place. From the power of being different, to celebrating the things you love about yourself and helping others do the same, this is a brilliantly inspirational handbook for breaking the mould and finding your place in the world. 'A very important book encouraging us all to celebrate the uniqueness and gift of our own and others' differences, while recognising all of that which we share in common.' - Michael D. Higgins, President of Ireland

Breaks Emma Vieceli, Malin Ryden, 2020-03-15 Ian and Cortland are all too aware that the bubble they've made for themselves can't last. Shifting relationships and tested friendships may be the least of their worries, though, as they learn

more about each other and the pasts they'd rather leave behind. Familial legacy, fragile ambition and potentially devastating secrets; their budding relationship is going to need a stronger foundation than secrecy if they want to face what life has in store for them together. Bringing the world of LGBT young adult fiction into the realm of comic books, and collecting the second arc of the acclaimed weekly web series (2017-2019), *Breaks* is the story of two young men discovering who they were, who they are, and who they will become. It's a love story...but a little broken.

Roy DeCarava: *Light Break*, 2019-11-05 *Light Break* presents the first survey since 1996 of photographer Roy DeCarava, an essential figure of American art and culture, whose “poetry of vision” re-forms urban life, labor, love, and jazz into the discovery of “an intimate, emotional arc of transformation.” Though DeCarava often refrained from public discussion of his work, this catalogue provides important background into determining factors of his aesthetic sensibility—his traditional training in painting and printmaking as well as his philosophical undertakings. It brings the viewer to a consideration of contradictory precepts in DeCarava’s work that seeks resolution through tonal and structural elements within the image. *Light Break* presents a wide-ranging selection of DeCarava’s photographs accompanied by a preface by Zoé Whitley, an American curator based in London, and features an introduction and essay by curator and art historian Sherry Turner DeCarava. Titled “Celebration,” Turner DeCarava’s essay considers the artist’s singular poetic vision, his timeless portrayals of individuals and places, and his mastery of composition and photographic printmaking. “In making photographs, as in life, DeCarava was patient. Possessing both a peerless self-awareness and acute observational skills, he knew intuitively when to wait and when to open the camera’s shutter. In the dark room, he availed himself of these same attributes, moving with steady assurance to develop his prints so as to allow the full range of what he called his “infinite scale of grey tones”—often realized at the deepest end of the spectrum—to emerge slowly and fully.” This exquisite volume showcases a dynamic range of images that underscore DeCarava’s subtle mastery of tonal and spatial elements across a wide, fascinating array of subject matter: from the figural implications of smoke and debris to the “shimmering mirror beneath a mother as she walks with her children in the morning light.” These photographs express a strength of imagery—an intent to synchronize and honor the pulse of art as an emergent signal for creative and revelatory freedom.

Commas Say Take a Break Michael Dahl, 2019 Commas love taking breaks. In fact, they want everyone to take breaks! Follow along and learn all about commas. The Capstone Interactive edition comes with simultaneous access for every student in your school and includes read aloud audio recorded by professional voice over artists.

The Break of Noon Neil LaBute, 2012 THE STORY: Amidst the chaos and horror of the worst office shooting in American history, John Smith sees the face of God. His modern-day revelation creates a maelstrom of disbelief among everyone he knows. A newcomer to faith, John urgently searches

Made to Break D. Foy, 2014 *Made to Break*, D. Foy's debut novel, snaps. Literary, cinematic... Foy] is a writing school of

one, and *Made to Break* ushers his literary energies into categorical existence. -The Daily Beast Strange and freewheeling... forsaking plot in favor of something much more cerebral and immediate. *Made to Break* works its English over, coining fresh and sometimes unapologetically awkward phrases to milk out something strange and animate. -Los Angeles Review of Books *Made to Break*] reads like a macabre mumblecore script penned by Jim Thompson. It's one swell medley of mayhem and defeat dashed together by the vitality of D. Foy's prose. Zainy, sly, and darkly comedic. -Entropy Magazine With influences that range from Jack Kerouac to Tom Waits and a prose that possesses a fast, strange, perennially changing rhythm that's somewhat akin to some of John Coltrane's wildest compositions, this narrative is at once emotionally gritty and surprisingly beautiful even during its darkest moments. Foy has delivered the kind of notable narrative that pulls an author out of the very crowded rookie pool and places him at the top of the list of fresh voices that readers of outstanding fiction should keep on their radar. -HTML Giant Two days before New Years, a pack of five friends--three men and two women--head to a remote cabin near Lake Tahoe to celebrate the holidays. They've been buddies forever, banded together by scrapes and squalor, their relationships defined by these wild times. After a car accident leaves one friend sick and dying, and severe weather traps them at the cabin, there is nowhere to go, forcing them to finally and ultimately take stock and confront their past transgressions, considering what they mean to one another and to themselves. With some of the most luminous and purple prose flexed in recent memory, D. Foy is an incendiary new voice and *Made to Break*, a grand, episodic debut, redolent of the stark conscience of Denis Johnson and the spellbinding vision of Roberto Bola o. D. Foy has had work published or forthcoming in BOMB, Post Road, the Literary Review, the Georgia Review, Forty Stories: New Writing from Harper Perennial, and Laundromat, an homage to photographs of laundromats throughout New York City (powerHouse Books).

Break Out of Your Mind Leo Hawkins, 2009-03 Transform Your Mind - From Beyond Your Mind ... We all long for peace, love and happiness. This book show you how to enjoy these qualities, and manifest abundance, even amid the stressful realities of everyday life. When you break out of identification with your mind, you set yourself free to create your life the way you choose it to be.

Break into Screenwriting Ray Frensham, 2010-08-27 This is a comprehensive, jargon-free guide for all budding screenwriters. Its aim is not just to guide you through the techniques and skills you need to write for the screen (film and television), but also to give you guidance on how to approach the industry as a whole. Focusing on every aspect of screenwriting, from how to set about the writing process to how to develop your characters, plot and structure, this book will give you all the guidance you need to break into this highly competitive industry and make a career for yourself as a screenwriter. NOT GOT MUCH TIME? One, five and ten-minute introductions to key principles to get you started. AUTHOR INSIGHTS Lots of instant help with common problems and quick tips for success, based on the author's many years of experience. TEST YOURSELF Tests in the book and online to keep track of your progress. EXTEND YOUR KNOWLEDGE

Extra online articles at www.teachyourself.com to give you a richer understanding of screenwriting. FIVE THINGS TO REMEMBER Quick refreshers to help you remember the key facts. TRY THIS Innovative exercises illustrate what you've learnt and how to use it.

Break From the Pack Oren Harari, 2006-08-24 Everywhere, products are being commoditized, services are being imitated, and traditional barriers to market entry are collapsing. To sustain competitive advantage in today's Copycat Economy, companies must break from the pack. This book will show how. Oren Harari starts by touring Commodity Hell, and identifying 10 common mistakes that keep companies trapped in the pack. Next, Harari introduces six strategies for propelling your organization where competitors can't follow. Learn how to dominate markets (and when to leave them); how to create a higher cause that will mobilize stakeholders; and how to build a pipeline of cool, compelling products, in any industry. Harari reveals new ways to take customers far beyond mere satisfaction, and shows how to innovate in even the most prosaic areas of a business. Learn how to avoid destructive mergers, and buy what really matters: talent, imagination, foresight, speed, rebelliousness, and inspiration. Finally, Harari offers a candid 12 Step program for transforming leadership behavior to lead the charge -- and leave competitors in the dust.

The Break Series Andrea Johnston, 2018-01-02 Spring Break brought them together. Summer Break tore them apart. Winter Break will tell them if love is really enough. Phoebe Stromberg never believed she would be charmed by her brother's best friend, Madsen Secksin. But charm her he did. With a kind heart and sexy as sin smile, he was the one man who made her believe in a forever kind of love. Madsen Secksin knew Phoebe Stromberg was a force of nature, he never believed she'd be the calm to his storm. With her fiery attitude, self-imposed boundaries, and refusal to label their relationship, he hoped distance would strengthen their bond. Join Phoebe and Madsen as they spend their Spring, Summer, and Winter Breaks determining how much more they can be and how good life is when you find the one to complete your heart.
