John Albert Broadus

Erros que os Pregadores Devem Evitar Ciro Sanches Zibordi, 2014-08-26 Com uma narrativa leve e bem humorada, mas ao mesmo tempo consistente, este livro analisa, através da homilética e da hermenêutica, os chavões, os versículos novos e outros trejeitos que não devem ser praticados por qualquer pregador que busque Jesus como seu principal modelo. Ideal para pregadores leigos, pastores, seminaristas e professores de escola dominical que desejam aperfeiçoar o ministério da Palavra de Deus em sua vida. Um produto CPAD.

Pregação & pregadores David Martyn Lloyd-Jones, 2001

Bíblia para pregadores e líderes Geziel Gomes, 2019-07-01 Esta Bíblia reúne ajudas especiais para todas as pessoas que pregam o evangelho ou exercem algum cargo de liderança na Igreja. Ela disponibiliza os tesouros que têm sido usados ao longo de 60 anos por um pregador que começou seu ministério aos 11 anos, e tem sido um instrumento vivo de Deus como a mais eloquente voz do pentecostalismo brasileiro. Aqui o leitor encontrará quatro recursos que estão reunidos em grupos e distribuídos ao longo da Bíblia, identificados por ícones. São eles: Esboços: Milhares de esboços de mensagens que o Senhor tem dado ao seu autor ao longo de seus 60 anos atuando como pregador da Palavra de Deus. Curiosidades: São todos os diamantes que o autor tem encontrado dentro da arca de tesouros da Bíblia. Notas: É uma curiosidade enriquecida, expandida. Sementes: Em vez de meramente construir um esboço completo com sua visão particular, seus conhecimentos bíblicos, sua cultura geral, suas experiências e estilo de pregador, o pastor Geziel criou as sementes para levar o leitor que está manuseando esta Bíblia a usar seu próprio lastro na preparação do seu sermão.

Mais Erros que os Pregadores Devem Evitar Ciro Sanches Zibordi, 2014-08-25 Após o grande sucesso do livro Erros que os Pregadores Devem Evitar, o Pr. Ciro Zibordi lança a continuação de sua obra: MAIS Erros que os Pregadores Devem Evitar. Com a mesma abordagem espirituosa, contundente e, em alguns momentos, divertida, mas acima de tudo bíblica, o autor critica e analisa chavões e heresias contidas em pregações e hinos, além de discorrer sobre os modismos de nosso tempo tais como: Não desista de seus sonhos, não cabe a nós julgar, crente que não faz barulho tem defeito de fabricação,

crente que tem promessa não morre, dentre outros. Para conhecer mais sobre o autor e suas obras acesse o blog: <http://cirozibordi.blogspot.com> Um produto CPAD. .

Pregação e Pregadores David Martyn Lloyd-Jones, 2017 O que é a pregação? É a lógica pegando fogo! É a teologia em chamas! É raciocínio eloqüente! Algumas afirmações de Lloyd-Jones demonstram o seu espírito resoluto e a sua consideração elevada pela pregação: Qual é a principal finalidade da pregação? Gosto de pensar que é esta: dar a homens e mulheres o senso de Deus e de sua presença. Nosso dever é apresentar o evangelho em sua totalidade. Pregador é a atividade mais admirável e emocionante na qual um homem pode se envolver, por causa do que ela nos proporciona no presente e das gloriosas e infindas possibilidades no futuro eterno.... a obra da pregação é a mais elevada, a maior e a mais gloriosa vocação para a qual alguém pode ser chamado. O Doutor Martin Lloyd-Jones já era um pregador veterano quando proferiu a série de palestras que deu origem a esta obra clássica, no início dos anos de 1970. E, embora muitos anos tenham se passado desde a primeira edição desta obra, podemos, sem dúvida alguma, chamá-la de atual e mais necessária do que nunca. Aqui, o experiente servo do Senhor, chamado para ocupar tão nobre e árduo ofício, o de arauto, embaixador do Reino, pregador do evangelho, transmite humildemente aos pregadores e aspirantes ao ministério todo conhecimento que adquiriu ao longo dos anos, através da meditação nas Escrituras, estudo da história da igreja e de sua experiência pastoral. Ele chama a atenção do pregador, lembrando que a pregação deve ser fiel, fruto de uma boa hermenêutica, exegese acurada, preparo diligente - estudo, sensibilidade, oração - entrega honrosa, feita por homens - no sentido pleno da aceitação - honrados, vocacionados por Deus, chamados, , confirmados e ordenados pela igreja.

Preaching Daniel Overdorf, 2022-11-08 Preaching with power and conviction is too important to be left to chance In Preaching, experienced preacher and teacher of preachers, Daniel Overdorf, leads readers through a tested process for sermon preparation that takes proclaiming God's Word seriously yet does not overcomplicate the task or overwhelm the preacher. Overdorf describes and demonstrates consistent, manageable steps to effective preaching, including: Clarifying the convictions that drive your preaching Identifying the main idea of a Scripture text Forming memorable word pictures, /li> Reducing reliance on notes Connecting with the congregation throughout the sermon Speaking authentically Preaching offers guidance for any pastor who desires to communicate God's Word more effectively. Those preparing for the pastorate will find encouragement and exercises that start their teaching ministry off on the right path. Those who preach regularly will discover resources for taking the next step in their unique journey of proclaiming the Scriptures to their congregations with power and presence.

Preaching Prophetic Care Phillis Isabella Sheppard, Dawn Ottoni-Wilhelm, Ronald J. Allen, 2018-06-25 Preachers often

think of prophetic preaching in the caricature of the prophet as the lonely outsider confronting the congregation, often angrily, with the congregation's complicity in social injustice and with a bracing call for repentance. The twenty-seven essays and sermons in this book offer a different perspective by viewing prophetic preaching specifically—and ministry, practical theology, and theological education more broadly—as pastoral care for the community in prophetic perspective. Such preaching does indeed bring a critical theological analysis of justice concerns to the center of the sermon, but in such a way as to invite the congregation to consider how the move toward justice is a pastoral move— that is, a move that seeks to build up community. Rather than contributing to the polarization so rampant in today's social world, the preacher seeks to help the congregation build bridges along which concern for justice can travel. The contributions honor the work of the late Dale Andrews, a scholar of preaching and practical theology at the Divinity School, Vanderbilt University, whose seminal work inspires the notions of prophetic care and building bridges to justice. With contributions from: Donna Allen L. Susan Bond Teresa Fry Brown Gennifer Brooks Teresa Eisenlohr Anna Carter Florence Kenyatta Gilbert R. Mark Giuliano David Schnasa Jacobsen John McClure Mary Elizabeth Moore Mary Alice Mulligan Debra Mumford Peter Paris Luke Powery Shelly Rambo Lee Ramsey Robert London Smith Amy Steele Frank A. Preaching the Just Word Walter J. Burghardt, 1998-10-11 Arguing why biblical justice - not merely ethical/legal justice - should be applied to matters concerning the poor, the oppressed and the marginalized, the author of this text suggests that everyone is responsible for these people, since they are involved in a covenant with God.

Steeped in the Holy Raewynne J. Whiteley, 2007 Preaching is a central task in the lives of clergy, and yet it sometimes seems as though the pressure to produce, combined with other duties of parish life, becomes a burden and contributes to the busyness that squeezes out time for spiritual practices. *Steeped in the Holy* seeks to reclaim the spiritual foundations for preaching, inviting clergy and students to see preparation and preaching not as an intrusion, but as an opportunity to engage with God and to develop practices that deepen a relationship with God and feed preaching.

Where Have All the Prophets Gone Marvin a. McMickle, 2019-04-11 This book is a call for preachers to learn the importance of keeping their eyes on the vision of Jesus and biblical prophets when preaching - that of doing justice, caring for others, and being equitable. The book attempts to make a biblical argument for the importance and the content of prophetic preaching, and argues that the issue is not preaching from a text taken from the prophetic corpus but preaching on the themes that echoed over and over from the biblical prophets themselves.

Positive Preaching and Modern Mind Peter Taylor Forsyth, 1907

The Ministry of the Word William Mackergo Taylor, 1876

Preacher Roger A. Bruns,2002 Born in Iowa during the Civil War, Billy Sunday rose to fame as the fastest man in baseball during his career with the Chicago White Stockings in the 1880s. In this account of Billy Sunday's life, the author unfolds the story of modern evangelism.

Feasting in a Famine of the Word Mark W. Birkholz,Jacob Corzine,Jonathan Mumme,2016-02-16 The Lord warns of a famine . . . of hearing the word of the Lord (Amos 8:11). Has this warning come to pass in our day? There is no shortage of preachers, but how often do they miss the mark in actually delivering the word of God to their hearers, leaving them hungry? The authors of these essays seek to equip preachers with resources to offer their hearers a rich feast from the word of the Lord. Writing from a Lutheran perspective, contributors from across the globe provide a fresh approach to preaching. These authors represent seasoned pastors and professors as well as young scholars. All are actively preaching and teaching God's word on a regular basis. This book covers a wide range of topics relating to preaching--from the scriptural background and hermeneutical issues to historical examples of notable preachers, and also practical guides to crafting and delivering a sermon. These essays will assist preachers in proclaiming God's word in a manner that provides a feast for those living in a famine-stricken world.
