Reform or Revolution Rosa Luxemburg, 2023-12-20 Reform or Revolution by Rosa Luxemburg is a seminal work in political theory that explores the fundamental question of whether social change is best achieved through gradual reforms or revolutionary upheavals. Luxemburg critically examines the limitations of reformist approaches within the capitalist system, arguing that true liberation requires a radical transformation of the existing socio-economic order. Through a nuanced analysis of class struggle, imperialism, and the dynamics of capitalism, Luxemburg presents a compelling argument that challenges prevailing notions of incremental change. This work remains a key text for those interested in understanding the complex interplay between reformist and revolutionary strategies in the pursuit of social justice.
