Medium7 Donna Smith-Moncrieffe, 2013-06 In the book *Medium7*, Canadian researcher and author Donna Smith-Moncrieffe shares insight from her journey to find truth about the nature of existence. Smith-Moncrieffe provides engaging cases studies and uses rigorous scientific methods to determine the existence of an afterlife and the extent to which mediums can accurately predict the future. Through extensive interviews with ten gifted mediums and their clients, Smith-Moncrieffe reveals an in-depth look into how mediums interact with the spirit world and communicate with the deceased, how thoughts create reality, and how reincarnation impacts mankind's existence. She also inspires others to embark on their own personal journeys of discovery to learn more about the purpose of life and become more confident about the final destination. *Medium7* shares a range of ground-breaking studies involving mediums, near death experiences, and past life regression therapy to provide knowledge, courage, and hope for anyone interested in understanding more about the true nature of our universe and mankind's existence—now and for eternity.

Reform or Revolution Rosa Luxemburg,2023-12-20 Reform or Revolution by Rosa Luxemburg is a seminal work in political theory that explores the fundamental question of whether social change is best achieved through gradual reforms or revolutionary upheavals. Luxemburg critically examines the limitations of reformist approaches within the capitalist system, arguing that true liberation requires a radical transformation of the existing socio-economic order. Through a nuanced analysis of class struggle, imperialism, and the dynamics of capitalism, Luxemburg presents a compelling argument that challenges prevailing notions of incremental change. This work remains a key text for those interested in understanding the complex interplay between reformist and revolutionary strategies in the pursuit of social justice.
