How I Met My Monster Amanda Noll, 2019-11-03 One night, when Ethan reaches under his bed for a toy truck, he finds this note instead: Monsters! Meet here for final test. Ethan is sure his parents are trying to trick him into staying under the covers, until he sees five colorful sets of eyes blinking at him from beneath the bed. Soon, a colorful parade of quirky, squeaky little monsters compete to become Ethan's monster. But only the little green monster, Gabe, has the perfect blend of stomach-rumbling and snorting needed to get Ethan into bed and keep him there so he falls asleep—which as everyone knows, is the real reason for monsters under beds. With its perfect balance of giggles and shivers, this silly-spooky prequel to the award-winning *I Need My Monster* and *Hey, That's MY Monster!* will keep young readers entertained.

Traveling Music Videos Tomáš Jirsa, Mathias Bonde Korsgaard, 2023-10-05 *Traveling Music Videos* offers a new interdisciplinary perspective on how contemporary music videos travel across, shape, and transform various media, online platforms, art institutions, and cultural industries worldwide. With the onset of digital technologies and the proliferation of global video-sharing websites at the beginning of the 21st century, music video migrated from TV screens to turn instead to the internet, galleries, concert stages, and social media. As a result, its aesthetics, technological groundings, and politics have been radically transformed. From the kinaesthetic experience of TikTok to the recent reimaginations of maps and navigation tools through music video cartographies, from the ecofeminist voices mediated by live-stream concerts to the transmedia logic of video games and VR, from the videos' role in contemporary art galleries to their political interventions - the chapters map the ways music video is continually reconfiguring itself. The volume tracks music video's audiovisual itineraries across different geographies, maps its transmedia routes, and tackles the cultural impact that it has on our current media ecosystem.

Don't Forget to Remember Ellie Holcomb, 2020-03-03 Do you ever forget to remember what's true? Sometimes remembering is hard to do! But in this lyrical tale, Ellie Holcomb celebrates creation's reminders of God's love, which surrounds us from sunrise to sunset, even on our most forgetful of days.

A Kids Book About Belonging Kevin Carroll, 2023-09-05 A clear explanation of what belonging is, and how to accept and understand who you are. This is a kids book about belonging. It tackles what it's like when you feel like you belong to a group or family or team, and what it's like when you don't. It addresses what it feels like when you don't fit in, or when it may feel

like others don't want you around. This book teaches kids aged 5-9 how to incorporate the feeling of belonging into their lives. The feeling of belonging is something that everyone strives for, which is why it's important to know how to belong to yourself and love who you are, and how that helps you to belong anywhere. A Kids Book About Belonging features: - A large and bold, yet minimalist font design that allows kids freedom to imagine themselves in the words on the pages. - A friendly, approachable, yet empowering, kid-appropriate tone throughout. - An incredible and diverse group of authors in the series who are experts or have first-hand experience of the topic. Tackling important discourse together! The A Kids Book About series are best used when read together. Helping to kickstart challenging, empowering, and important conversations for kids and their grownups through beautiful and thought-provoking pages. The series supports an incredible and diverse group of authors, who are either experts in their field, or have first-hand experience on the topic. A Kids Co. is a new kind of media company enabling kids to explore big topics in a new and engaging way. With a growing series of books, podcasts and blogs, made to empower. Hey, Kiddo: A Graphic Novel Jarrett J. Krosoczka, 2018-10-09 The powerful, unforgettable graphic memoir from Jarrett Krosoczka, about growing up with a drug-addicted mother, a missing father, and two unforgettably opinionated grandparents. A National Book Award Finalist! In kindergarten, Jarrett Krosoczka's teacher asks him to draw his family, with a mommy and a daddy. But Jarrett's family is much more complicated than that. His mom is an addict, in and out of rehab, and in and out of Jarrett's life. His father is a mystery -- Jarrett doesn't know where to find him, or even what his name is. Jarrett lives with his grandparents -- two very loud, very loving, very opinionated people who had thought they were through with raising children until Jarrett came along. Jarrett goes through his childhood trying to make his non-normal life as normal as possible, finding a way to express himself through drawing even as so little is being said to him about what's going on. Only as a teenager can Jarrett begin to piece together the truth of his family, reckoning with his mother and tracking down his father. Hey, Kiddo is a profoundly important memoir about growing up in a family grappling with addiction, and finding the art that helps you survive.

Be Kind Pat Zietlow Miller, 2018-02-06 When Tanisha spills grape juice all over her new dress, her classmate contemplates how to make her feel better and what it means to be kind. From asking the new girl to play to standing up for someone being bullied, this moving and thoughtful story explores what a child can do to be kind, and how each act, big or small, can make a difference--or at least help a friend. With award-winning author Pat Zietlow Miller's gentle text and Jen Hill's irresistible art, Be Kind is an unforgettable story about how two simple words can change the world.

On Earth We're Briefly Gorgeous Ocean Vuong, 2021-06-01 The instant New York Times Bestseller • Nominated for the 2019 National Book Award for Fiction "A lyrical work of self-discovery that's shockingly intimate and insistently universal...Not so much briefly gorgeous as permanently stunning." —Ron Charles, The Washington Post Ocean Vuong's

debut novel is a shattering portrait of a family, a first love, and the redemptive power of storytelling. *On Earth We're Briefly Gorgeous* is a letter from a son to a mother who cannot read. Written when the speaker, Little Dog, is in his late twenties, the letter unearths a family's history that began before he was born — a history whose epicenter is rooted in Vietnam — and serves as a doorway into parts of his life his mother has never known, all of it leading to an unforgettable revelation. At once a witness to the fraught yet undeniable love between a single mother and her son, it is also a brutally honest exploration of race, class, and masculinity. Asking questions central to our American moment, immersed as we are in addiction, violence, and trauma, but undergirded by compassion and tenderness, *On Earth We're Briefly Gorgeous* is as much about the power of telling one's own story as it is about the obliterating silence of not being heard. With stunning urgency and grace, Ocean Vuong writes of people caught between disparate worlds, and asks how we heal and rescue one another without forsaking who we are. The question of how to survive, and how to make of it a kind of joy, powers the most important debut novel of many years. Named a Best Book of the Year by: GQ, Kirkus Reviews, Booklist, Library Journal, TIME, Esquire, The Washington Post, Apple, Good Housekeeping, The New Yorker, The New York Public Library, Elle.com, The Guardian, The A.V. Club, NPR, Lithub, Entertainment Weekly, Vogue.com, The San Francisco Chronicle, Mother Jones, Vanity Fair, The Wall Street Journal Magazine and more!

Too Cute to Spook Diana Aleksandrova, 2020-08-15 Lorry wants to be the scariest monster of all, but unlike the other monsters, he doesn't look scary at all. Lorry is cute and kids aren't afraid of cute little monsters.

The Don't Worry Book Todd Parr, 2019-07-30 From bestselling and beloved author Todd Parr, a new book that reassures kids everywhere that even when things are scary or confusing, there's always something comforting around the corner. Todd Parr brings his trademark bright colors and bold lines to his new book about things that might make kids worry--from loud news, to loud neighbors, or a big day at school. With his signature humor and instantly recognizable style, Todd speaks out to kids who are feeling the weight of their world, offering solutions and comfort, as well as giggles.

Home of the Brave Katherine Applegate, 2014-12-23 Kek comes from Africa. In America he sees snow for the first time, and feels its sting. He's never walked on ice, and he falls. He wonders if the people in this new place will be like the winter - cold and unkind. In Africa, Kek lived with his mother, father, and brother. But only he and his mother have survived, and now she's missing. Kek is on his own. Slowly, he makes friends: a girl who is in foster care; an old woman who owns a rundown farm, and a cow whose name means family in Kek's native language. As Kek awaits word of his mother's fate, he weathers the tough Minnesota winter by finding warmth in his new friendships, strength in his memories, and belief in his new country. Bestselling author Katherine Applegate presents a beautifully wrought novel about an immigrant's journey from hardship to hope. *Home of the Brave* is a 2008 Bank Street - Best Children's Book of the Year.

Trapped in a Video Game Dustin Brady, 2018-04-10 Jesse Rigsby hates video games—and for good reason. You see, a

video game character is trying to kill him. After getting sucked in the new game Full Blast with his friend Eric, Jesse starts to see the appeal of vaporizing man-size praying mantis while cruising around by jet pack. But pretty soon, a mysterious figure begins following Eric and Jesse, and they discover they can't leave the game. If they don't figure out what's going on fast, they'll be trapped for good!

They Don't Need to Understand: Stories of Hope, Fear, Family, Life, and Never Giving in Andy Biersack, 2023-10-10 Before he was the charismatic singer of Black Veil Brides and an accomplished solo artist under the Andy Black moniker, he was Andrew Dennis Biersack, an imaginative and creative kid in Cincinnati, Ohio, struggling with anxiety, fear, loneliness, and the impossible task of fitting in. With his trademark charm, clever wit, and insightful analysis, Biersack tells the story of his childhood and adolescence. The discovery of the artistic passions that would shape his life, and his decision to move to Hollywood after his 18th birthday to make his dreams come true, even when it meant living in his car to make it all a reality.

It's the origin story of one of modern rock's most exciting young superheroes, from building miniature concerts with KISS action figures in his bedroom to making the RIAA gold-certified single In the End and connecting with passionate fans worldwide.

Digital Music Videos Steven Shaviro, 2017-04-15 Music videos today sample and rework a century's worth of movies and other pop culture artifacts to offer a plethora of visions and sounds that we have never encountered before. As these videos have proliferated online, they have become more widely accessible than ever before. In *Digital Music Videos*, Steven Shaviro examines the ways that music videos interact with and change older media like movies and gallery art; the use of technologies like compositing, motion control, morphing software, and other digital special effects in order to create a new organization of time and space; how artists use music videos to project their personas; and how less well known musicians use music videos to extend their range and attract attention. Surveying a wide range of music videos, Shaviro highlights some of their most striking innovations while illustrating how these videos are creating a whole new digital world for the music industry.

Video Marketing Made Simple For Business Owners Raymond Wayne, 2020-09-18 Video Marketing is literally on fire! Embrace the Power and Potential of Video Marketing And use this medium to catapult your web business to the next level. Check out on " Video Marketing Made Simple For Business Owners " Finally, you have this once in lifetime opportunity to get your hands on the video marketing tools & Strategies that are generating million dollar revenues . Businesses invest a lot of time determining who their target demographic is, and for good reason. When a business knows which demographic is buying and using their product, it's going to be easier to market to that demographic. Middle-aged women are going to respond to ads differently than millennials; and what one group finds engaging and interesting, another may not. So it's important for businesses to understand what demographic they are targeting so they get the marketing just right for them. But, businesses don't have to go to such trouble when they're using video marketing because video marketing reaches every demographic and is interesting to every demographic. And this is because men and women, and people of every age, love video. As long as it's interesting and creative, people will like a video regardless of their background or history. This can be a bonus for businesses that know who their demographic is, simply because more people will share it and like it, even if they don't make up part of the business' demographic. But it's also especially good news for businesses with a shifting

demographic, or for those that don't know how makes up their demographic. That happens sometimes when a business changes directions or changes their product or service slightly, and then they have to start back at square one with their marketing efforts. But when a business has already created videos as part of their marketing plan, they don't have to change a thing because those videos will already be suitable for every demographic. Imagine one type of marketing that appeals to every single demographic. It seems too good to be true, but it's not. That type of marketing is video marketing, and reaching every demographic is just one very good reason why every business should be investing in it.

Video Search and Mining Dan Schonfeld, Caifeng Shan, Dacheng Tao, Liang Wang, 2010-05-22 As cameras become more pervasive in our daily life, vast amounts of video data are generated. The popularity of YouTube and similar websites such as Tudou and Youku provides strong evidence for the increasing role of video in society. One of the main challenges confronting us in the era of information technology is to - fectively rely on the huge and rapidly growing video data accumulating in large multimedia archives. Innovative video processing and analysis techniques will play an increasingly important role in resolving the difficult task of video search and retrieval. A wide range of video-based applications have benefited from - vances in video search and mining including multimedia information mana- ment, human-computer interaction, security and surveillance, copyright prot- tion, and personal entertainment, to name a few. This book provides an overview of emerging new approaches to video search and mining based on promising methods being developed in the computer vision and image analysis community. Video search and mining is a rapidly evolving discipline whose aim is to capture interesting patterns in video data. It has become one of the core areas in the data mining research community. In comparison to other types of data mining (e. g. text), video mining is still in its infancy. Many challenging research problems are facing video mining researchers.

Encounters in Video Art in Latin America Elena Shtromberg , Glenn Phillips, 2023-02-14 With insightful essays and interviews, this volume examines how artists have experimented with the medium of video across different regions of Latin America since the 1960s. The emergence of video art in Latin America is marked by multiple points of development, across more than a dozen artistic centers, over a period of more than twenty-five years. When first introduced during the 1960s, video was seen as empowering: the portability of early equipment and the possibility of instant playback allowed artists to challenge and at times subvert the mainstream media. Video art in Latin America was—and still is—closely related to the desire for social change. Themes related to gender, ethnic, and racial identity as well as the consequences of social inequality and ecological disasters have been fundamental to many artists' practices. This compendium explores the history and current state of artistic experimentation with video throughout Latin America. Departing from the relatively small body of existing scholarship in English, much of which focuses on individual countries, this volume approaches the topic thematically, positioning video artworks from different periods and regions throughout Latin America in dialogue with each other.

Organized in four broad sections—Encounters, Networks and Archives, Memory and Crisis, and Indigenous Perspectives—the book's essays and interviews encourage readers to examine the medium of video across varied chronologies and geographies.
